MANAGEMENT ADVISORY #20-016

DATE: December 30, 2020

TO: Agency Personnel Officers and Benefit Coordinators

FROM: Ryan Stokes, Interim Director 

SUBJECT: Federal Changes Impacting Spending and Savings Accounts

---

Federal changes provided by the [Consolidated Appropriations Act 2021](#), issued on December 27, 2020, impact employees enrolled in dependent care and healthcare flexible spending accounts (FSAs). The Division of State Group Insurance is taking advantage of the flexibility afforded to employer sponsored plans to help employees maximize use of their benefits. We ask that you share this information with your employees. **These changes apply ONLY through the 2021 plan year.**

**For Healthcare FSAs and Limited Purpose Healthcare FSAs only:**

- Carryover from 2020 Plan Year  
Members may carry over any unused benefits from plan year 2020 to plan year 2021. Plan year 2020 carryover benefits must be used by December 31, 2021. No action is required by the employee. Balances will carry over automatically.
- Changes in Election Amount  
For plan year 2021, members may prospectively change contribution amounts without a qualifying status change.
- Post-Termination Reimbursements from Health FSAs  
A member who stops participating in the plan mid-year of 2021 may continue to receive reimbursements of their unused contributions through the end of the plan year. For example, a member who leaves employment April 1, 2021, may continue to receive reimbursements of their unused contributions through the end of 2021.

**For Dependent Care Flexible Spending Accounts (DCFSA) only:**

- Extension of Grace Periods  
The grace period to incur eligible expenses applicable to plan year 2020 contributions is extended to December 31, 2021.

- Eligible Dependent  
If a dependent "aged-out" during the pandemic, the maximum age the child is considered a qualifying dependent is changed from age 12 to age 13, if all of the following apply:
  - Member was enrolled in the DCFSA for plan year 2020.
  - Member had one or more dependents who attained age 13 during the plan year.
  - Member had an unused balance for plan year 2020 that can be used through the extended grace period of December 31, 2021.
  
- Changes in Election Amount  
For 2021, members may prospectively change contribution amounts without a qualifying status change.

All previous updates referenced in [Management Advisory #20-005](#) that were effective until the end of the public health emergency are still in effect.

- QSC deadline extensions
- COBRA payment extension
- Appeal rights extension
- Flexible Spending Account Changes:
  - Carry-over limit increase
